

## Programme: Fashion Design

## Title: Work Placement

<p><b>Semester:</b> Spring semester 2019 <b>Semester Theme:</b> Fashion design and textiles for fashion</p>	<p><b>Period:</b> : 4. februar – 28. juni 2019 <b>ECTS-points:</b> 30</p>
<p><b>Contents:</b> Work placement is compulsory for all fashion students during this spring semester. The staff will help and guide you to find relevant internships.</p> <p>The purpose is to give you professional industry awareness, working skills and experience and to develop a professional network.</p> <p><i>From Chapter 12/§27 in the 2016/17 curriculum for masters education at the Designschool</i></p> <p>In order to obtain the 30 ETCS required, the altogether length of your full-time work placements is a minimum of 4 month. You can choose work placement in 1 or more companies, but in order to get an in depth understanding of the fashion industry and the business awareness we expect from you, we recommend no more than 2 different work placements.</p>	<p><b>Learning Outcomes (Knowledge, skills and competences)</b></p> <p>Knowledge:</p> <ul style="list-style-type: none"><li>• Business awareness from professional design studios.</li><li>• Practical knowledge of methods, models and tools within your field.</li><li>• Practical knowledge of professional design practices and production within your subject.</li><li>• Obtaining a beginning professional network.</li></ul> <p>Skills:</p> <ul style="list-style-type: none"><li>• Ability to adapt and integrate your achieved artistic and research based methods and skills, and knowledge of materials and technologies in a professional environment</li><li>• Ability to present, communicate and discuss your work with professionals</li></ul> <p>Competences:</p> <ul style="list-style-type: none"><li>• The ability to undertake a given design assignment in a professional environment</li><li>• Ability to work independently and experimentally and to initiate and manage given tasks and design assignments in a professional environment</li><li>• Ability to manage your time effectively and to meet deadlines</li></ul>
